Dear Madam,

Re: Preliminary Inquiry – The Magnet Keighley Road, Micklethwaite, Bingley, West Yorkshire, BD16 2DZ

EE and Hutchinson are in the process of upgrading a number of sites in the UK to make them 5G. This upgrade process will primarily involve swapping existing equipment and replacing this with new apparatus. A number of sites to facilitate capacity and this vital 5G upgrade require a second monopole in addition to the swap out of the existing monopole. The attached drawings capture the upgrade and form the basis of what will be submitted to the LPA.

The purpose of this letter is to inform stakeholders prior to upgrading the site. The upgrade will not materially affect the building / installation or the surrounding area.

If you have any comments prior to this minor upgrade development submission we look forward to receiving these. Please do not hesitate to contact me if you require any further information.

Yours faithfully,

Damian Hosker BA(Hons) MA MRTPI
