

An opportunity to help shape the council's priorities from 2020

At the start of Bingley Town Council in June 2016, a list was created of priority projects, many of which have been achieved or are ongoing. The priorities were informed by consultation with residents and councillor input.

A list, not exhaustive, of the main work currently being undertaken by the council is below.

Good governance and management of the Beck Lane and Stanley Street allotments are key priorities but to help us plan for the next three years we'd like you to tell us:

- which you think is the most important area of work or project
- your suggestion/s about what the council should also be achieving.

Please only complete this if you live in the Bingley Town Council area: (Bingley, Cottingley village, Crossflatts, Micklethwaite, Eldwick and Gilstead)

1. Please indicate which one of these activities, currently being undertaken by Bingley Town Council, you think is the most important?
