PRIORITIES	KEY ACTIONS	BY WHOM	PEOPLE CAN

OTHER ISSUE AND CONCERNS

Need to be mindful that a number of local buildings and land are a cause for concern across the ward and as such it would be prudent to monitor progress in terms of sale and or regeneration opportunities, these are;

Bingley Pool – investigations on going for a potential CAT transfer

Sty Lane development – planning permission has been granted for the development of 400+ homes

Auction Mart site opposite Bingley Grammar School – continue to monitor

N.B. The Bingley Ward Plan is an evolving document that is subject to change depending on the priorities raised at any given time.

Whilst every effort has been made to give an overview of key concerns across the ward the document is subject to change to take on board emerging issues that will invariably arise over time.
