

## March 2019 Full Council Appendix

### 1819/254 New Council

It is recommended that up to £150 be authorised for expenditure for printed material for the new council. This includes additional copies of the Good Councillor Guide and Good Councillors Guide to Finance and Transparency plus sufficient copies of the Good Employer Guide for the Staffing committee.

### 1819/256 Requests for stalls from young people

The Town Council has received a couple of requests from parents of young people who will be going to Tanzania and wish to raise funds for their trip. The Town Council has a charity stall policy but it needs to decide how the requests for the stalls for the young people are to be dealt with. A suggestion would be that Beckfoot School is contacted so that the school co-ordinates requests for stalls for its pupils.

### Office/toilets

Bradford Council wishes for the Community Asset Transfer lease to be agreed by 31<sup>st</sup> March 2019. The Town Council will need to agree insurance for the building and the cost of the re-build and associated fees. At the time of writing the quotation from the insurance broker was not available. It is recommended that up to £1,000 is delegated to the clerk in conjunction with the Chair of the council to arrange insurance for the building from 1<sup>st</sup> April 2019. The figure for the business rates is taken from information supplied by CBMDC.
