

19th June 2018

Friends of Bingley Pool

Report for Bingley Town Council in relation to grant of £5880 received for feasibility work on Bingley Pool.

The grant was received in June 2017, and two studies were commissioned in July 2017.

Couch Perry Wilkes delivered a comprehensive report and were paid £2880.00 as set out in their quotation. This report is appended

This report then fed into a longer process of business plan development with consultant, Paul Smith.

Paul led a detailed and interactive process, culminating with a presentation of the draft business plan to John Coulton at BDMC. Paul has been paid £3000.00 as detailed in his original quotation. Again, the report is appended.

On the basis of the business plan, Friends of Bingley Pool have agreed to move towards phase 2 of the community asset transfer process of Bingley Pool, with a target of September 2018 for submission.

Dr Anna Mdee
Co-Chair- Friends of Bingley Pool
