**2122/32 Bingley Pool update**

Ms Fairfax provided an update as one of the Trustees of the Friends of Bingley Pool, reporting that the decision to close Bingley Pool as part of Bradford Council strategy still stands, and confirmed that the Friends continue to meet with Bradford Council representatives to establish a way forward for either repairs to be carried out at Bingley Pool or a new pool built. The Community Asset Transfer (CAT) which was meant to complete last year was delayed due to Covid, and the pool in the meantime remains closed, although the gym is open. Continued closure is due to ceiling plaster falling and contamination in the pool tank. The Friends of Bingley Pool assumed that the CAT would transfer with good asset, and the proposed CAT cannot take place if the pool is not fit for purpose. The original modelling exercise by Bradford Council which identified other provision in the area, including the now defunct pool at Bingley Grammar School, is no longer valid. The Friends of Bingley Pool have asked Bradford Council to carry out necessary repairs and maintenance of the existing pool until the CAT is signed off or a new pool provided, and highlighted to the Town Council the need for a community campaign to raise awareness and promote positive action in order to provide swimming provision in Bingley, to ensure that local school children can pursue swimming lessons as part of the National Curriculum. The Town Council thanked Diane Fairfax for her comprehensive report.

Ms Fairfax left the meeting at 6.50pm.

Agreed to take item 2122/45 next.
