#	RESPONSES	DATE
1	As I said what I don't like is lack of public discussion until the plans have been made.	1/18/2018 4:40 PM
2	The level and amount of public facilities the redevelopment would provide	1/16/2018 1:50 PM
3	Better use of the available space. There is a huge proportion of circulation or plant space relative to the useable space. The accessible toilets should be accessible from outside so they can be accessed when the offices are closed and I think there's an opportunity being missed here i.e. to provide a 'changing place' to enable more people to come to Bingley. see www.changingplaces.org This would help the area enormously.	1/15/2018 12:40 PM
4	None	1/11/2018 1:19 PM
5	Eco friendly - re use rain water.	1/9/2018 1:20 PM
6	Should be eco friendly and also incorporate tourism details for the area.	1/9/2018 1:18 PM
7	Doing something doing nothing	1/9/2018 1:08 PM
8	Retain a clean and looked after public toilet facility.	1/9/2018 1:06 PM
9	Make it more prestigious. Bingley needs status. £24 over 20 years is nothing.	1/9/2018 1:03 PM
10	Need facilities for changing for the disabled	1/6/2018 12:10 AM
11	To have a disabled changing facility	1/5/2018 11:42 PM

22	Not sure , the scheme is good .	1/1/2018 8:39 PM
23	The architecture is hardly inspiring. A much more cost-effective option needs to be presented with the toilets issue not conflated with the question of offices for the BTC. Sound full comparative cost estimates presented. BTC getting into debt and immediately thinking it can impose a 7.267% increase in the precept.	12/31/2017 11:42 PM
24	I realise that space is limited in the existing footprint but the meeting room and the office space do look rather cramped. An small extension could be beneficial.	12/31/2017 6:40 PM
25	A good architectural building	12/31/2017 5:14 PM
26	Nothing. I object to it	12/31/2017 1:08 PM
27	Increase number of public toilets	12/31/2017 9:55 AM
28	I support the proposed scheme	12/30/2017 10:16 PM
29	Larger toilet facilities (maintain a changing area and public disability toilet).	12/30/2017 7:05 PM

Bingley Town Council: have your say on the plans for new offices and public toilet facilities in Bingley

30	As far as I am concerned retaining toilet facilities is the most important aspect of this development, if offices are needed to do this then so be it.	12/30/2017 4:01 PM
31	No improvements needed.	12/30/2017 1:55 PM
32	It seems ok to me as it is	12/30/2017 1:40 PM

38	Not to go ahead.	12/28/2017 2:21 PM
39	It should be funded by the retailers based in Bingley.	12/28/2017 2:00 PM
40	There's more pressing improvements to this town than a new office for the council	12/28/2017 12:04 AM
41	Get rid of it and it's expense.	12/27/2017 9:47 PM
42	The design needs to include an accessible toilet with changing facilities for adults.	12/27/2017 7:53 PM

50	That the office space can be booked for free by the public and that disabled access and baby changing facilities are well maintained.	12/24/2017 12:33 PM
51	Bingley town council have been nothing but positive but do they want to convene for meetings at a public toilet? The toilet status needs playing down and council meeting place promoting. A suitable name needs to be found. The council, of course, are a public convenience! Lol	12/24/2017 11:38 AM

129	Standard accessible toilets do not meet the needs of all people with a disability. People with profound and multiple learning disabilities, as well people with other physical disabilities such as spinal injuries, muscular dystrophy and multiple sclerosis often need extra equipment and space to allow them to use the toilets safely and comfortably. These needs are met by Changing Places toilets. Each Changing Places toilet provides: The right equipment - a height adjustable adult-sized changing bench - a tracking hoist system, or mobile hoist if this is not possible. Enough space - adequate space in the changing area for the disabled person and up to two carers - a centrally placed toilet with room either side - a screen or curtain to allow some privacy. A safe and clean environment - wide tear off paper roll to cover the bench - a large waste bin for disposable pads - a non-slip floor. PLEASE NOTE: Changing Places toilets are different to standard accessible toilets (or "disabled toilets") and should be provided in addition to accessible toilets.	12/15/2017 7:44 AM

136	Changing places needs to happen for me to support it for the above reasons. Disabled people have a right to use a toilet with dignity - you are discriminating against disabled users accessing this new facility as it is not inclusive	12/12/2017 5:25 PM

149	None	12/11/2017 8:09 PM
150	I would prefer the asset transfer to be less as it is unfair of the Bradford Council to use the Bingley town hall for other users but not provide adequate facilities for the Bingley councillors. It is unfair for us to fund what is essentially a local government building.	12/11/2017 6:22 PM

232	More toilets if feasible	12/4/2017 7:08 PM
233	nothing whatsoever	12/4/2017 6:58 PM
234	Nothing.	12/4/2017 6:08 PM
235	None	12/4/2017 5:27 PM
236	I have no objective to extending the building but I would hope any development would be in keeping with the current structure.	12/4/2017 5:11 PM
237	Provide more toilet facilities; the proposals provide two toilets whereas there are currently twelve.	12/4/2017 5:09 PM
238	Can't think of any at present.	12/4/2017 5:00 PM
239	Opening times of the toilets and also signage for the toilets	12/4/2017 4:33 PM
240	Maybe a fresh coat of paint!!	12/4/2017 4:32 PM
241	A more attractive facade and better toilet facilities.	12/4/2017 4:14 PM
242	Unnecessary spending, doesn't need to happen	12/4/2017 3:59 PM
243	I feel there is a need for a public toilet still as there are none in the park and the cafe directvyou to these toilets. If they close where would you go?	12/4/2017 3:48 PM
244	Promote the toilets	12/4/2017 3:35 PM
245	...	12/4/2017 2:57 PM
246	What assurance do we have that any increase in tax will go towards the development in Bingley & not be redirected to a Bradford Council "pet project" in the city centre?	12/4/2017 2:47 PM

Bingley Town Council: have your say on the plans for new offices and public toilet facilities in Bingley

247	I have a small concern about reducing the number of toilets to just two, especially when public events are taking place. It would help if they are both "unisex".	12/4/2017 2:42 PM
248	I would welcome the facilities being an official Changing Place toilet	12/4/2017 1:21 PM
249	unsure	12/4/2017 11:14 AM
250	I would like there to be a changing places facility (changing table with hoist) included in these plans so that we can be completely inclusive of all disabled people's needs in our community	12/4/2017 10:37 AM
251	see above	12/4/2017 10:32 AM
252	I think there should be more toilets not just one for each gender.	12/4/2017 7:12 AM
253	More space to the public toilet element of the design. Use of exiting BTC budgets rather than raising the precept, which although small, sets a worrying precedent.	12/4/2017 5:21 AM
254	Everything seems fine to me	12/3/2017 10:37 PM
255	Limited scope to increase office space in the future if required, the development offers very limited commercial value if Bingley Council were to leave the offices for whatever reason (e.g. require additional space). In addition the new development significantly reduces the toilet capacity (which would be required during large events and at peak times e.g. if market the market is regenerated and footfall increases.	12/3/2017 10:12 PM
256	Better facilities.	12/3/2017 9:53 PM
257	Nothing	12/3/2017 9:49 PM
258	It looks great!	12/3/2017 9:23 PM
259	Nothing. It ticks all the boxes	12/3/2017 8:34 PM
260	not qualified to answer this	12/3/2017 8:23 PM
261	The aim is to provide toilets and badly needed office accommodation. I expect the professionals to provide both to the required specifications.	12/3/2017 7:44 PM
262	Don't know	12/3/2017 7:34 PM
263	Non	12/3/2017 7:22 PM
264	Decide not to buy it	12/3/2017 7:19 PM
265	Keep the offices where they are and the toilets ditto	12/3/2017 7:18 PM
266	Nothing	12/3/2017 6:46 PM
267	.	12/3/2017 5:51 PM
268	Knock it down & put the grass mound back!	12/3/2017 5:36 PM
269	Halve the existing block and build on to it.	12/3/2017 4:09 PM
270	n/a	12/3/2017 3:44 PM
271	.	12/3/2017 2:57 PM
272	Nothing	12/3/2017 12:57 PM
273	Make sure there are plenty of toilets!	12/3/2017 12:43 PM
274	I think it's a practical design, attractive too.	12/3/2017 12:35 PM
275	The proposals are acceptable as they are.	12/3/2017 12:00 PM
276	There needs to be good connection for people, not cars, between Myrtle Park and Chapel Lane. Perhaps on a time basis or simply a priority basis eg pedestrianised Main Street, with restricted car access. We have a bypass and it should be used for the majority of through traffic. We should also direct non local traffic away from using Primrose Bank/Wagon Lane as a cut through from Eldwick to Cottingley. Traffic should instead be directed onto the bypass at the bottom of Ferncliffe road, a junction which is under-utilised. The more traffic that is directed onto the bypass means a safer Bingley.	12/3/2017 11:58 AM
277	Not sure	12/3/2017 11:40 AM
278	I am more than happy with the proposal as it stands	12/3/2017 11:37 AM

Bingley Town Council: have your say on the plans for new offices and public toilet facilities in Bingley

279	Nothing	12/3/2017 11:13 AM
280	Unclear from plans if the toilets would be accessible for people with disabilities and for baby changing facilities, this would be important in the design.	12/3/2017 11:11 AM
281	Nothing in particular springs to mind.	12/3/2017 10:59 AM
282	Nothing	12/3/2017 9:21 AM
283	Its ok	12/3/2017 8:56 AM
284	They are good.	12/3/2017 8:47 AM
285	Cannot think of anything.	12/2/2017 10:14 PM
286	Could the offices be offered cheaply to small businesses?	12/2/2017 9:29 PM
287	Everything is fine	12/2/2017 7:57 PM
288	Reduce the cost to local residents in tax	12/2/2017 7:40 PM
289	The toilets are, in my opinion, essential to Bingley Centre to encourage shoppers and visitors.	12/2/2017 6:27 PM
290	The opening hours of the toilets could be better and the RADAR key loo should be accessible even when the rest of the loos are closed.	12/2/2017 5:43 PM
291	1. There needs to be visual harmony with the surrounding buildings particularly the Swimming Baths Princess Hall. 2. The building needs to be energy efficient and have solar panels.	12/2/2017 5:20 PM
292	The plans seem well thought out and now action is urgently needed to complete the job -as quickly as possible.	12/2/2017 5:03 PM
293	I have not seen the detailed pans so cannot comment.	12/2/2017 4:35 PM
294	Only the price bit lower would be better	12/2/2017 4:24 PM
295	Nothing	12/2/2017 3:44 PM
296	I can't see anything that needs to be improved as it looks as though all the crucial elements have been taken into account.	12/2/2017 3:11 PM
297	Nothing	12/2/2017 2:40 PM
298	Nothing	11/29/2017 11:49 AM
